bear their quota of cost. There is no reason for the charge being borne by the Kalasa temple funds.

SUBJECT No. 282.

Conversion of Narasimharajapura sub-taluk into a taluk.

Mr. H. Krishna Rao, Koppa taluk.

Summary of discussion.— It has often been represented that the difficulties are many by continuing Narasimharajapura as a sub-taluk. Now, this place has been rendered more important by the establishment of a Munsiff's court. There are, besides, other minor public offices. A good deal of difficulty is being experienced by the public and other Government servants for want of a treasury. Narasimharajapura may therefore be made into a *pukka* taluk with 4 hoblies, *viz.*, Kasaba, Danivasa, Lakkavalli and Balehonnur.

Reply of Government.— Government are aware of the inconvenience felt, which will however diminish after the railway is opened. The matter will be considered.

Reply of Government.—Noted.

SUBJECT No. 286.

An Industrial school at Kadur.

Mr. C. Anantha Jois, Kadur taluk.

Summary of discussion.—An Industrial school may be established at Kadur, as it is centrally situated and possesses many advantages.

Reply of Government.—Practical instruction classes are being opened at present.

SUBJECT No. 287.

Supply of good drinking water to Kadur town.

Mr. C. Anantha Jois, Kadur taluk.

Summary of discussion.—As the population of Kadur town is nearly 4,000 and as great difficulties are being experienced by people for good drinking water, the same may be supplied from Madag tank by means of pipes laid out for the purpose at Government cost, as the municipality is too poor to bear this charge.

Reply of Government.—The Deputy Commissioner has promised to send up a separate scheme.

SUBJECT No. 288.

An Industrial school at Tarikere.

Mr. Shankarappa, Tarikere Municipality.

Summary of discussion.—An Industrial school may be established in the town of Tarikere for the convenience and benefit of many poor people in the town.
